Clinics consist of a private 2-hour session at Denver Water with a landscaping professional. Prior to this session, participants will receive a kit with materials and instructions for drawing a site plan and taking a photo-panorama of their existing landscape. Participants who are new to Xeriscape are strongly urged to also attend the **Introduction to Xeriscape** free seminar (below).

All sessions are on Saturdays. Times will be scheduled when you register.

\$65.00 for residents of Denver Water's service area. \$130.00 for residents outside the service area

All sessions will be held at Denver Water, Three Stones Bldg. 1600 W. 12th Avenue

Call 303-628-6330 for reservations.

Ornamental Grasses – Looking for something to add structure, texture and winter interest to your garden? Let area garden expert and author Marilyn Raff introduce you to the wonderful world of ornamental grasses.

Free. Seating on first come, first served basis

Waterwise Trees and Shrubs – There's more to Xeriscape than just flowers. Mikl Brawner of Harlequin's Gardens in Boulder talks about some great trees and shrubs that will complement any waterwise landscape.

Free. Seating on first come, first served basis

Fear of Frying – This past year has been hard on plants, but Horticultural Extension Agent Carl Wilson can show you how to manage your landscape in a drought. Learn how to water more efficiently and find out what's dead and what's only dormant.

Free. Seating on first come, first served basis

Industrial Strength Color – Like an old-fashioned Timex, many xeric plants can take a lickin' and keep on tickin'. Find out more about these 'industrial strength' perennials and shrubs

How To Get There

Denver Water:

To get to the Three Stone Building at Denver Water:

- **From I-25 - take the COLFAX exit and go east.** From Colfax, turn right on Osage (at the base of the overpass), and go 13th Avenue. Go right on 13th to Quivas. Go south on Quivas one block to 12th Avenue. Go right (west) on 12th to Denver Water. Go past the first entrance. In about 50 feet you'll see a second entrance to our complex, with a small guard shack. To the west (right) of the guard shack is a parking lot. Park there and walk to the Three-Stone building, immediately to the south.
- **From 6th Avenue going west** – take the Osage exit just before the I-25 interchange. Turn left at the stop sign at the foot of the exit, and take Osage into the Denver Water complex. Follow our driveway all the way to the back end of the complex (12th Ave), and turn left. In about 50 feet you'll see a second entrance to our complex, with a small guard shack. To the west (right) of the guard shack is a parking lot. Park there and walk to the Three-Stone building, immediately to the south.
- **From 13th Avenue** - go south on Quivas one block to 12th. Go west on 12th to Denver Water. Go past the first entrance. In about 20 feet you'll see a second entrance to our complex, with a small guard shack. To the west (right) of the guard shack is a parking lot. Park there and walk to the Three-Stone building, immediately to the south.

Colorado Center:

The Colorado Center is located at the intersection of I-25 and Colorado Boulevard. There is ample free parking in both the parking lot and the parking garage. All seminars will be held at the United Artists Theater Complex, but the specific theater may vary. Look for the signs in the upper lobby indicating which theater the seminar will be held in.

Important: In case of significant snow, call 303-628-6330 after 8 a.m. on the morning of the seminar. The message will say if the seminar has been cancelled.
